

***Reputable Community Healthcare Clinic seeks Bilingual Licensed Clinical Social Worker (LCSW) / Psychologist  
Join an organization which is respected and well loved by the Community we serve!***

This is a great opportunity to share your work with an organization that cares for the community of Healdsburg, Windsor, Geyserville, and beyond.

At Alliance Medical Center (AMC), we believe everyone deserves the highest quality care. We provide primary medical and dental care within a broad array of services - including prenatal, a teen center, all ages dental care, mental health, nutrition health services - that help our patients' live healthier lives.

Our mission is to improve the health and wellness of our diverse communities. We provide accessible, caring, and high quality healthcare services. We are a recognized Federally Qualified Healthcare Center (FQHC) leader in improving the health of our communities. We are proud to serve a diverse population of approximately 13,000 predominantly Spanish speaking patients.

AMC's Healdsburg and Windsor Medical locations are both recognized PCMH (Patient Centered Medical Home) sites and we are proud to be eligible to recruit National Health Service Corps Scholars, Physicians, and Registered Nurses with student loan repayment needs with Highest HPSA Primary Care score 16!

**Alliance Medical Center is currently seeking a full time, Bilingual Licensed Clinical Social Worker (LCSW) or Psychologist**

**What you will do at AMC:**

We are seeking a therapist to provide brief, group, and long term therapy, health focused counseling and case management to a diverse population of mental health patients. Therapist will join AMC primary care providers in delivering same day mental health consults for patients.

The Behavioral Health team at AMC works together with medical providers to integrate behavioral health and primary care for our patients. We pride ourselves in providing culturally and linguistically competent services for our community. The Behavioral Health team works with patients who have a range of emotional and behavioral health issues. Patients may be experiencing life transitions, depression, anxiety, substance misuse, chronic pain, major medical illness, or need support in reaching health goals. Patients may also have co-occurring diagnosis.

The LCSW/Psychologist will provide same day mental health "touches" or warm hand-offs to begin the process of engaging with patients to better support their health and wellness, as well as brief and short-term counseling; group counseling; care coordination; and case management services.
