**Reputable Community Healthcare Clinic seeks a Bilingual Registered Dietitian Nutritionist/RDN**

*Join an organization which is respected and well loved by the Community we serve!*

This is a great opportunity to share your work with an organization that cares for the community of Healdsburg, Windsor, Geyserville, and beyond.

At Alliance Medical Center (AMC), we believe everyone deserves the highest quality care. We provide primary and specialty medical care, behavioral health and dental care within a broad array of services - including prenatal, all ages dental care, mental health, nutrition health services - that help our patients live healthier lives.

Our mission is to improve the health and wellness of our diverse communities. We provide accessible, caring, and high-quality healthcare services. We are a recognized Federally Qualified Healthcare Center (FQHC) leader in improving the health of our communities. We are proud to serve a diverse population of approximately 13,000 predominantly Spanish-speaking patients. We love what we do and continually strive to provide the best services our patients demand.

AMC’s Healdsburg and Windsor Medical locations are both recognized PCMH (Patient Centered Medical Home) sites and we are proud to be eligible to recruit National Health Service Corps Scholars, Physicians, and Registered Nurses with student loan repayment needs with Highest HPSA Primary Care score 18!

**What you will do at AMC:**

The Bilingual Registered Dietitian Nutritionist/RDN provides Conducts nutrition assessments, develops plans for patients, and delivers clinical nutrition services; teaches nutrition education classes to patients and staff as needed; acts as a nutrition resource to Alliance staff; performs outreach services.

**Some of the duties include:**

- Conducts a nutrition assessment and obtains nutrition history from patient.
- Consults with physicians and other health care personnel as needed to facilitate meeting the nutritional needs of Health Center patients. This may include counseling, documenting, and billing for patient visits including CPSP visits.
- Documents nutrition care plans and information into clinic EMR.
- Instructs patients and their families in nutritional principles, dietary plans, food selection, and preparation.
- Refers participants to other community resources as needed.
- Plans and implements the nutrition education component for patients. Teaches educational classes as needed.
- Performs outreach activities to promote participation in AMC sponsored programs and classes.
- Refers patients to the WIC program.
Qualifications:

- Must be a Registered Dietitian. 2 years community and/or outpatient dietitian experience preferred.
- Bilingual English-Spanish required.
