

***Reputable Community Healthcare Clinic seeks Population Health Specialist
Join an organization which is respected and well loved by the Community we serve!***

This is a great opportunity to share your work with an organization that cares for the community of Healdsburg, Windsor, Geyserville, and beyond.

At Alliance Medical Center (AMC), we believe everyone deserves the highest quality care. We provide primary medical and dental care within a broad array of services - including prenatal, a teen center, all ages dental care, mental health, nutrition health services - that help our patients' live healthier lives.

Our mission is to improve the health and wellness of our diverse communities. We provide accessible, caring, and high quality healthcare services. We are a recognized Federally Qualified Healthcare Center (FQHC) leader in improving the health of our communities. We are proud to serve a diverse population of approximately 13,000 predominantly Spanish speaking patients.

AMC's Healdsburg and Windsor Medical locations are both recognized PCMH (Patient Centered Medical Home) sites and we are proud to be eligible to recruit National Health Service Corps Scholars, Physicians, and Registered Nurses with student loan repayment needs with Highest HPSA Primary Care score 18!

What you will do at AMC:

Under the direction of the Quality Improvement/ Quality Assurance Manager, the Population Health Specialist will assist AMC in achieving the quadruple aim through generating reports and recall lists that empower and enable teams to do population management and enhance individual care to patients. Also works in close collaboration with the Chief Medical Officer, to populate data and reports needed to demonstrate QA/QI activities.

The Population Health Specialist at Alliance Medical Center has the following qualifications and skills:

Education and/or Experience

Bachelor's degree (B.A.) or equivalent; or one to two years' related experience and/or training; or equivalent combination of education and experience.

Computer Skills

- Intermediate/Advanced working knowledge of Microsoft Excel pivot tables, creating run charts, graphs. Working Intermediate/Advanced knowledge of i2i tracks or other equivalent reporting software, or willingness and ability to learn
- Working knowledge of Acure, and Business Objects preferred.
- Working knowledge of EPIC Reporting Workbench preferred. Knowledge of SQL is a plus.
- At least Intermediate level of knowledge of: Microsoft Office, Outlook, Internet and Database software.

How to apply:

Please email your resume to hr@alliancemed.org or fax resume to (707) 385-2148

Local candidates preferred.
