

***Reputable Community Health Center seeks
Experienced Family Nurse Practitioner/Physician Assistant***

Join an organization which is respected and well loved by the Community we serve!

**Beautiful California Wine Country location, just 1 hour north of San Francisco!
100% Outpatient Family Medicine**

This is a great opportunity to share your work with an organization that cares for the community of Healdsburg, Windsor, Geyserville, and beyond.

At Alliance Medical Center (AMC), we believe everyone deserves the highest quality care. We provide primary Medical and Dental care within a broad array of services - including Behavioral Health, Comprehensive Wellness Center, Nutritional Health services and multiple medical specialty services - that help our patients live healthier lives.

Our mission is to improve the health and wellness of our diverse communities. We provide accessible, caring, and high quality healthcare services. We are a recognized Federally Qualified Healthcare Center (FQHC) leader in improving the health of our communities. We are proud to serve a diverse population of approximately 12,000+ predominantly Spanish speaking patients.

AMC's Healdsburg and Windsor Medical locations are both recognized PCMH (Patient Centered Medical Home) sites and we are proud to be eligible to recruit National Health Service Corps Scholars, Physicians, and Registered Nurses with student loan repayment needs with Highest HPSA Primary Care score 18!

Alliance Medical Center is currently seeking an experienced, Family Nurse Practitioner (FNP) or Physician Assistant (PA) - flexible work arrangement may be discussed with full time as noted preference:

What you will do at AMC:

- Examines patient, performs comprehensive physical examination, and compiles patient medical data, including health history and results of physical examination.
- Diagnoses and treats common medical conditions and manages the stable phases of chronic illnesses in consultation with the physician.
- Performs therapeutic procedures such as injections, immunizations, suturing and wound care, and managing infection.
- Develops and implements patient management plans, records progress notes, and assists in provision of continuity of care.
- Assists in medical chart review for patient follow-up and quality assurance.
- Instructs and counsels patients regarding compliance with prescribed therapeutic regimens, normal growth and development, family planning, emotional problems of daily living, and health maintenance.
- Maintains adequate medical records on all patients, including follow-up referrals, and meet on a regular basis with the physician to go over charting and/or medical care provided.

- Adheres to health center standards for productivity as defined by the Chief Medical Officer and senior management.
- Participates in quality improvement initiatives.

The FNP / PA at Alliance Medical Center has the following qualifications and skills:

- 3+ years of FNP/PA Clinical Experience preferably ambulatory care is required;
- Completion of an accredited Physician Assistant and/or FNP specialty program required;
- Current California license to practice medicine including DEA license and current CPR required;
- Bilingual (Spanish/English) preferred;
- Local within commutable distance or willingness to relocate to Sonoma County;
- EMR experience and will train, EPIC experience a plus;
- A passion for community based healthcare!

Why AMC?

AMC is a caring workplace which nurtures our employees and is mission based – if you are looking for meaningful work, and want to work with the under-served community, this is the job for you! AMC offers an excellent salary with a complete benefits package including medical, dental, vision, life insurance, PTO, short and long term disability, and a retirement plan with a generous Employer Match!
