

***Join an organization which is respected and well loved by the Community we serve!
Senior Health Educator***

This is a great opportunity to share your work with an organization that cares for the community of Healdsburg, Windsor, Geyserville, and beyond.

At Alliance Medical Center (AMC), we believe everyone deserves the highest quality care. We provide primary medical and dental care within a broad array of services - including prenatal, a teen center, all ages dental care, mental health, nutrition health services - that help our patients live healthier lives.

Our mission is to improve the health and wellness of our diverse communities. We provide accessible, caring, and high-quality healthcare services. We are a recognized Federally Qualified Healthcare Center (FQHC) leader in improving the health of our communities. We are proud to serve a diverse population of approximately 13,000 predominantly Spanish speaking patients.

AMC's Healdsburg and Windsor Medical locations are both recognized PCMH (Patient Centered Medical Home) sites and we are proud to be eligible to recruit National Health Service Corps Scholars, Physicians, and Registered Nurses with student loan repayment needs with Highest HPSA Primary Care score 18!

What you will do at AMC:

Under the direction of the Medical Director / CMO, the Senior Health Educator supervises the Health Education Department and uses their formal training to organize and present health education programs for community groups and/or individuals by performing the following responsibilities:

- Ensures high quality health education service provision to participants per year in accordance with up-to-date research, evaluation and community standards
- Supervises Health Educators to ensure they are providing high quality education and meeting Alliance Medical Center's standards of employee conduct
- Reviews and approves Health Educators time cards, timesheet adjustments and time off request
- Attends Essential Health Access for Family planning health workers certification/ required trainings

The Senior Health Educator at Alliance Medical Center has the following qualifications and skills:

- Bachelor's degree from four-year college or university and one to two years' related experience and/or training; or equivalent combination of education and experience. Knowledge of California Laws regarding state educational codes.
- Customer Service: Manages difficult or emotional client situations; responds promptly to client needs; solicits client feedback to improve service; responds to requests for service and assistance; meets commitments.

Why AMC?

- Competitive hourly pay, certification reimbursement during employment, complete benefits package including vacation and 403(b) plan with employer matching contribution!
- Positive environment, supportive management team, and awesomely wonderful co-workers!

*** We require all employees to be vaccinated or have a valid medical or religious exemption from receiving a COVID-19 vaccine. If hired, you will be required to prove that you have received the COVID- 19 vaccine or have a valid religious or medical reason not to be vaccinated. Employees with valid exemptions will be required to undergo weekly testing as required by the California Department of Public Health.
